The Fund's Net Asset Value will decline after a distribution is paid by the Fund by the amount paid to shareholders. Any price movement in the underlying securities will also affect the Fund's NAV. Please note that individual fund shareholder value is not decreased by distributions because each shareholder of record has received a cash distribution or additional shares by reinvestment. All dividends and capital gain distributions are automatically reinvested in additional shares unless a Fund shareholder has elected to receive distributions in cash. To obtain information on your account, please contact Shareholder Services at 866-822-9555.

Investors are urged to consider the fund's investment objectives, risks, charges and expenses of the investment company carefully before investing. The Fund's prospectus contains a complete discussion of these factors and other information and should be read carefully before investing. For a copy of the prospectus, please call 1-866-822-9555.
